MEMORANDUM FOR: General Counsel

SUBJECT: Commendation for [redacted]

25X1

1. During the past year I have had several occasions to call upon [redacted] of your staff for assistance with regard to the procurement of logistical support for Project HTAUTOMAT. His counsel and personal attention to our requirements have been uniformly excellent, and I wish you to know that his conscientious efforts in behalf of HTAUTOMAT have contributed materially to such success as the Project has enjoyed.

2. My Executive Officer has advised me that [redacted] was solely responsible for the staff work and necessary personal liaison involved in the successful negotiation of a [redacted] air conditioning contract of vital importance for the preservation of intelligence materials and the operation of sensitive equipment within the Stewart Building. For this effort I am particularly grateful, and, I might add, impressed, for I understand that contracts of this nature routinely command a rigorous exercise of legal and personal talent and [redacted] compounded the order of difficulty by negotiating our contract during the last month of the Fiscal Year.
